Co-Insurance and Deductibles

1. Coinsurance is your portion of the cost of insured veterinary treatment for your pet before any deductible is applied. Your pet’s coinsurance amount is shown as “Your Share” on the Pet Schedule of the declarations page.

2. Deductible is the amount you must first pay with respect to the cost of insured veterinary treatment for your pet after your pet’s coinsurance portion has been applied. Your Pet’s deductible is shown on the Pet Schedule of the declarations page. Your pet’s deductible shall apply once per coverage term.

3. Reimbursements are based on your actual veterinary bill. We determine the total of the covered treatments and multiply that by your reimbursement rate. We then subtract your remaining annual deductible:
